WHETHER IT'S A ONE-TIME EVENT, OR THE DAY-TO-DAY-HERE-TO-THERE-GOT-TO-HAVE-IT-NOW FREIGHT, SCHNEIDER'S OUTSOURCED MANAGEMENT TEAM HAS YOU COVERED.

Whether you need to handle a spike in volume from your latest promotion, or you need to achieve a higher level of predictability in your transportation spend, Schneider Transportation Management knows what it takes to get your business moving. Our service delivers coverage of more freight through one source by utilizing a comprehensive portfolio of transportation solutions, including Truckload, Intermodal, Specialized and Less-than-Truckload (LTL) services.

- Full-scale management
- LTL Consolidation
- Capacity-only Solutions
- Direct-to-store Deliveries
- Pop-up Fleets

For us, securing your capacity is only the beginning because we bring a lot more to the table. One call puts our entire portfolio of services to work for you, and ensure service levels of 98% or better on every move.

- Single point of contact leading your account for ease of doing business. One contact, one call, one accountability.
- The flexibility to customize a plan that fits your transportation budget and individual capacity needs
- The peace of mind that comes from consistent, reliable service and accountability
- Visibility, security, and constant communications through Schneider Transportation Management's technological backbone and oversight capabilities
- The coverage and coordination you need for product launches, seasonal surges, crisis transportation situations or completely outsourced services, allowing you to focus on your core business

We'll also take the reins to create low-cost, outsourced solutions that will make budgeting and cost forecasting more accurate. It's in our unique, tariff-structured pricing metrics.

- Simplify your billing, and eliminate the uncertainty of negotiating every load with the fixed rates and committed capacity we bring you.
- Reduce your administrative resources. We'll provide experts to who will manage carrier relations with trusted service providers and eliminate your worries.
- Know that your profitability is heading in the right direction. Save money and time by taking advantage of our extensive and current market data nationally and pricing model work. We'll take that knowledge and market expertise to negotiate and leverage carrier contracts to keep our bottom line under control.

Focus on your core business and leave the transportation work to Schneider Transportation Management. Visit **www.schneider.com/brokerage**.
