Dedicated

Dedicated – secured capacity, unmatched service.

Schneider Dedicated delivers the high-quality service your company relies on.

If you're looking to secure shipping capacity and improve your bottom line, look to Schneider Dedicated. As one of the country's largest dedicated truckload providers, we deliver the capacity and service you need to handle any shipping challenge. When you need to add trucks, we come through with a cost-effective, customized solution.

Schneider Dedicated provides dependable on-time pickup and delivery, and the driver density to supplement your current shipping assets wherever you are, whatever your length of haul. And you enjoy the peace of mind and confidence knowing you'll never pay more than the contract cost, even during seasonal surges. Need a customized solution? Let us provide one from our broad portfolio of transportation and logistics services.

At Schneider Dedicated, we can ensure your success ... and improve your bottom line.

Outsource your private fleet and maximize efficiency.

As the largest dedicated carrier in the U.S., Schneider Dedicated gives you all of the advantages of a private fleet, including control, visibility and economies of scale, without the challenges and associated costs of liability, overhead, assets, regulatory requirements, maintenance, and driver recruitment and retention. You also get additional capacity at a guaranteed rate, avoiding expensive spot-market pricing.

- **Peace of mind**

Let us take care of your transportation with experienced drivers and a dedicated network, including equipment and logistics – backed by 70 years of experience

- **Flexibility and capacity**

We can flex up and down with surges in capacity, supplementing your dedicated fleet with our national network of drivers and third-party carriers.

- **Cost management**

Avoid unanticipated expenses or charges – because dedicated trucks and drivers are under contract, costs are constant and predictable.

Make your shipping seamless with the on-time delivery, experience, equipment and safety that only Schneider Dedicated can provide.

When you work with us, you get:

- **On-time delivery**

Schneider Dedicated fleets consistently deliver 99%+ service levels.

- **Committed capacity**

You will get guaranteed capacity, delivered by Schneider trucks and drivers assigned exclusively to your business backed by our over-the-road fleet, and for extra surges, our network of more than 10,000 qualified third-party carriers.

- **Improved efficiency**

Schneider Dedicated provides engineered solutions that yield better overall supply chain value for both long-haul and short-haul shippers.

- **Short-haul savings**

Unlike one-way shipping options, there are no costly minimums, enabling you to make as many short-haul deliveries as you need.

- **Long-haul savings**

For long-haul shipments with your national or regional density, we can dedicate a fleet of trucks to you and reduce empty miles with our other freight.

- **Equipment solutions**

Schneider can solve your most complex transportation challenges with our expertise and special equipment. We provide one of the country's largest refrigerated fleets, an award-winning bulk network, multiple flatbed configurations and lightweight equipment that allows for payloads of more than 52,000 pounds. We also have cross-docks in major markets, offering break-bulk and local deliveries.
