Schneider National Delivering New Jobs in Chambersburg, Pa.
Recruiting Effort to Hire 50 Drivers Includes a \$5,000 Sign-On Bonus

GREEN BAY, Wis., and Chambersburg, Pa. - (May 27, 2010) - Schneider National, the nation's largest truckload carrier, is immediately hiring 50 experienced, professional truck drivers in the Chambersburg, Pa. area for its Dedicated Services division. The company's growth in Pennsylvania is fueled by expanding business with a national retailer's distribution center.

The new Dedicated account drivers will average 2,300 miles weekly with an average annual income of \$40,000 to \$49,000, depending on the level of experience. One of the benefits of the position is weekly time at home or better: drivers hired for this account will only travel between Pennsylvania, Maryland, Delaware and New Jersey.

"Our Dedicated drivers are trusted colleagues for Dedicated Services customers," said Mike Hinz, Schneider's vice president, driver recruiting. "The drivers haul freight primarily for one customer and enjoy predictability and familiarity with the business, the customer team, and the delivery locations and routes. Due to immediate customer needs, we are offering a \$5,000 sign-on bonus to fill the account as soon as possible."

In addition to weekly time at home, Schneider's Dedicated drivers have the resources they need to do the job well. The company is upgrading its entire fleet of trucks with industry-leading, in-cab technology, providing drivers electronic access to load assignments, text-to-voice GPS directions, as well as Internet access.

Schneider National is celebrating its 75-year anniversary this year, a testament to the strength of the company and the hard work of its drivers. With over 5,500 daily loads, there are consistent miles for drivers, offering stability and career options.

For more information on this opportunity or to apply, interested drivers can visit schneiderjobs.com or call Melanie at 1.800.447.7433, Ext. 6164.
