Schneider National Repeats as Kimberly-Clark's Carrier of the Year

Outstanding on-time delivery, willingness to go the extra mile has earned 2008 and 2009 service honors for nation's largest truckload carrier

GREEN BAY, Wis. - (June 29, 2010) - Schneider National, Inc., premier provider of transportation, logistics and intermodal services, has been named the 2009 Carrier of the Year by Kimberly-Clark (NYSE: KMB). This marks the second consecutive year that Schneider National was chosen to receive this prestigious award. Kimberly-Clark provides some of the world's most recognized consumer brands serving more than 150 countries.

"Schneider is our go-to carrier, providing our entire organization with the service and value we require," said Steve Harmon, vice president of transportation for Kimberly-Clark. "This past year alone, they exceeded our stringent service expectations for all 23 of our most critical strategic customers."

In addition to delivering exceptional service in 2009, Schneider worked with Kimberly-Clark on several significant initiatives, including a Transportation Symposium held at one of Schneider's Green Bay facilities. During this daylong event, hands-on learning opportunities allowed Kimberly-Clark associates to develop a deeper understanding of the trucking business. In addition, Schneider managed several large-scale promotions and provided extensive consulting regarding safety and load securement in 2009.

"Schneider National is celebrating our 75th anniversary this year, and we've worked in tandem with Kimberly-Clark for over 50 of those years," said Steve Matheys, Schneider National's executive vice president and chief administration officer. "We believe this award was achieved in part because of

the mutual trust and respect we've developed over our long history together, and we look forward to providing them with the same stellar service for the next 50 years.”

Schneider provides global, multi-modal service (including Dedicated, Regional, Intermodal, Expedited and Van/Truckload services) to Kimberly-Clark.
