

E-Manifest: Truck Deployment Schedule

The attached document represents a DRAFT listing of land border ports equipped with ACE e-Manifest capabilities. Please be advised that the current DRAFT schedule is subject to change and is only intended as a reference guide for members of the trade. This DRAFT deployment schedule will continue to be revised/updated, as necessary. Trade members should consult the Federal Register and the ACE Federal Register Notices link with regard to official publication of ACE e-Manifest Federal Register Notices that will announce past, current, and future deployments. For more information please write CBP.CSPO@dhs.gov.
