

SCHNEIDER TRANSPORTATION MANAGEMENT

SCHNEIDER TRANSPORTATION MANAGEMENT DELIVERS BIG RESULTS WITH YOUR SMALLER SHIPMENTS.

Schneider Transportation Management can take the complexity out of less-than-truckload shipments. Take advantage of our network to help you find the right carriers and use our purchasing power to lower your cost. That's how our expertise makes sure your freight gets out the door, without having to toss your budget out the window.

With Schneider Transportation Management, one call connects you to:

- LTL
- Expedited LTL
- Over-dimensional LTL
- Expedited-Guaranteed Service
- Exhibit Services-Trade Shows
- High Value and High Security

TAKE THE GUESSWORK OUT OF LTL WITH OUR DO-IT-YOURSELF, ON-LINE TOOL.

- Streamline your process with a full-service booking tool that allows you to setup, track and manage multiple shipments, 24/7 with real-time updates and automatic Bill of Lading generation.
- We can help you setup your account, enter your commodity and weight classes and create a user-friendly tool anyone in your organization can use
- Our purchasing power delivers preferred pricing from multiple shippers giving you the information you need to make the best choice for your company
- Complete visibility: We are fully integrated with our LTL carriers giving you real-time, email updates for every one of your shipments

THE MORE WE BUY, THE MORE YOU SAVE

Purchasing LTL freight is about volume, and Schneider Logistics buys more in a day than most of our customers will purchase in a year. In fact, we buy more than \$350 million in LTL shipments every year, giving us preferred pricing with every one of our LTL carriers. That means you get the best possible pricing every time you move your LTL freight with Schneider Transportation Management.

SCHNEIDER TRANSPORTATION MANAGEMENT PROVIDES ACCESS TO 25+ LTL CARRIERS WITH ONE CALL.

- Avoid the hassle of multiple terminal calls and differing accessorials across multiple carriers
- Take advantage of Schneider Transportation Management Freight Classification expertise to avoid frustrating in-transit re-classes
- Reap the cost savings of over 25 national, super regional and regional LTL carriers competing for your business with a single call
