

## ONE PHONE CALL GIVES YOU ACCESS TO UNLIMITED INTERMODAL OPTIONS

You have a wealth of options at Schneider Transportation Management. That means you have direct access to the nation's two largest Intermodal carriers, access to all North American Class 1 railroads, and the four largest intermodal marketing companies in North America. No one else brings you this level of capacity, reach or convenience.

With one phone call, you have a full-service solution no other Intermodal company can match.

- **YOU ELIMINATE COST BECAUSE WE BUY BETTER**

- We purchase more than \$100 million in intermodal services every year, giving us a stronger negotiating platform to get you a better price.
- We work closely with our providers and because of how well we treat them, your freight receives preferential treatment every time.
- We know which providers offer the better pricing on specific lanes, ensuring your freight is always moving at the best price possible.

- **YOU SAVE TIME BECAUSE WE HANDLE THE ENTIRE INTERMODAL MOVE**

- Door-to-door means just that. We secure the dray from your dock, the railroads and the dray to your customer. You make one call and we handle the rest.
- You always have capacity because we have strong relationships with so many intermodal providers.

- **WE ELIMINATE THE WORRIES AND THE HASSLES OF MOVING INTERMODAL FREIGHT**

- Only Schneider Transportation Management has the experience and knowledge that comes from being part of an asset-based provider. We have learned the business from both sides and understand what it takes to flawlessly move your freight.
- We take care of the people who move your freight, and in turn, they take care of every load we move.
