

# SCHNEIDER TRANSPORTATION MANAGEMENT

## SCHNEIDER TRANSPORTATION MANAGEMENT DELIVERS BIG RESULTS WITH YOUR SMALLER SHIPMENTS.

Schneider Transportation Management can take the complexity out of less-than-truckload shipments. Take advantage of our network help you find the right carriers, and use our purchasing power to lower your cost. That's how our expertise makes sure your freight gets out the door, without having to toss your budget out the window.

With Schneider Transportation Management, one call connects you to:

- LTL
- Expedited LTL
- Over-dimensional LTL
- Expedited-Guaranteed Service
- Exhibit Services-Trade Shows
- High Value and High Security

### THE MORE WE BUY, THE MORE YOU SAVE

Purchasing LTL freight is about volume, and we buy more in a day than most of our customers will purchase in a year. In fact, we buy 50 times more freight than any one of our customers on average. That volume gives us preferred pricing with every one of our LTL carriers. That means you get the best possible pricing every time you move your LTL freight with Schneider Transportation Management.

### STM PROVIDES ACCESS TO 25+ LTL CARRIERS WITH ONE CALL.

- Avoid the hassle of multiple terminal calls and differing accessorials across multiple carriers
- Take advantage of STM Freight Classification expertise to avoid frustrating in-transit re-classes
- Reap the cost savings of over 25 national, super regional and regional LTL carriers competing for your business with a single call

Contact the LTL experts at 866-419-0650 or visit [www.schneider.com](http://www.schneider.com) and find out how we can help you make big improvements with your smallest shipments.
