

SCHNEIDER TRANSPORTATION MANAGEMENT

HOT OR COLD, OUR TEMPERATURE-CONTROLLED TRANSPORTATION EXPERTS HAVE YOU COVERED.

Optimize your supply chain with our extensive carrier base. Schneider Transportation Management is your source for reefer and other temperature-controlled transportation. With our strong and growing base of temperature controlled carriers, one phone call gives you access to more equipment and more options than anyone else in the industry.

- **YOU'LL HAVE UNMATCHED ACCESS THE RIGHT EQUIPMENT, ANYWHERE IN NORTH AMERICA**

- 53' Reefers
- 53' Space Saver trailers
- 48' Reefers
- Freeze protect trailers
- Temperature controlled Intermodal shipments

- **EVERYONE WANTS THE MOST FROM THEIR BUDGET, SCHNEIDER MAKES SURE YOU GET IT**

- One call connects you with a large carrier base and experts in purchasing reefer and temperature controlled capacity.
- Our strong relationships with carriers give you preferential treatment, better response time and better pricing options.
- We minimize your risks by only using the safest, most secure carriers in the industry.

LET SCHNEIDER TRANSPORTATION MANAGEMENT KEEP YOU COOL UNDER PRESSURE.

Contact one of our experts at 866-419-0650 or visit www.schneider.com/brokerage and find out how easily we can make your temperature-controlled freight go from point A to point B and anywhere in between.
