

## LOADS OF LOCAL CAPACITY AND DRIVERS WHO KNOW THE TERRITORY LIKE THE BACK OF THEIR HANDS.

With Schneider Regional Services, you get drivers with firsthand, first-rate knowledge of your area, an amazing level of service and all the capacity you need. It's like having your own fleet—minus the expense.

### REGION BY REGION, MILE AFTER MILE, WE'RE COMMITTED TO YOU.

Schneider Regional Services operate in the Western, Northwestern, Southern, Southeastern and Midwestern regional United States. For local shippers operating within defined networks, there's no better option.

Our Regional approach is a more efficient way of doing business:

- **Designated Personnel and Equipment**  
We specifically assign people and equipment to your region so they are ready at your service when called upon.
- **Industry-whipping, on-time performance**  
Our Regional drivers work their assigned beats with such consistency they develop a "feel" for your business.
- **Local decision making**  
Regional associates and their managers are both empowered and accountable. Their knowledge of the region, drivers and fleet put them in the best position to respond to your needs.
- **Most sustainable fleet on the road**  
We've earned the EPA's SmartWay Award of Excellence every year since its inception by reducing emissions and maximizing fuel efficiency. This helps keep costs in check at every turn.

Enjoy a smarter, more capable and more effective approach to regional shipping.
