

SCHNEIDER TRANSPORTATION MANAGEMENT

FOR BETTER TRANSPORTATION BUYS, GO WITH THE ONE TEAM WHO BUYS TRANSPORTATION BETTER.

There's one reason Schneider Transportation Management has become one of the industry's top brokers — we know how to help our customers move more freight, more cost effectively. We bring a lot more than the stability of 75 years in transportation and an unbeatable carrier base. We deliver the tools you need to get your business moving in the right direction.

- **YOU SAVE COST BY TAKING ADVANTAGE OF OUR PURCHASING POWER**

- We buy more than \$2 billion of freight every year, and that gives you incredible purchasing leverage with a large base of carriers
- Automated carrier prioritization tools optimize choices and find the optimal carrier for your freight anywhere in North America
- We have earned preferential treatment with many of our carriers, delivering highly competitive costs, and ensuring your freight is their top priority

- **ONE CALL GETS YOU ANYWHERE YOU NEED TO GO, ANY WAY YOU NEED TO GET THERE**

- Our freight brokers are experts in truckload, less-than-truckload, intermodal, reefer and flatbed services
- With one single point of contact, you can move just about any kind of freight anywhere in North America

- **REST EASIER KNOWING WE HAVE YOUR FREIGHT COVERED BY THE BEST OF THE BEST**

- We are very picky about the safety, security and professionalism of carriers we trust to haul your freight, and every one of the carriers in our network have passed through an extensive, 170-step qualification process
- There are nearly 60,000 carriers in the US, only 10,000 have met our requirements.

Find out just how much money, time and hassle you can save just by visiting www.schneider.com/brokerage or contacting one of our freight brokers at 866-419-0650.
